BOND PROPOSAL

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Hudson Area Schools, Lenawee and Hillsdale Counties, Michigan, be renewed by 17.8412 mills (\$17.8412 on each \$1,000 of taxable valuation) for a period of 6 years, 2027 to 2032, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 6 years, 2027 to 2032, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2027 is approximately \$1,231,946 (this is a renewal of millage that will expire with the 2026 levy and the addition of millage which will be levied only to the extent necessary to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963)?

The number of votes given in the precincts of Pittsford Township, Precinct 1, Wheatland Township, Precinct 1, and Wright Township, Precinct 1, Hillsdale County, for and against the above proposal was

One hundred fifty-three (153)

and the statement of votes for or against the above proposal was
